

DISTILLERY EXCLUSIVE

Triple Distilled
SINGLE MALT IRISH WHISKEY

MATURED IN ACACIA WOOD

LIMITED EDITION

WORLD'S OLDEST LICENSED WHISKEY DISTILLERY

Handcrafted by our Master Distiller and available exclusively at the Old Bushmills Distillery, our limited-edition single malt is a fitting tribute to over 400 years of whiskey innovation. It's everything you'd expect from a Bushmills' bottle, but with a little bit more...

Just like its creator, the Distillery Exclusive is full of character - a quality whiskey worthy of the signature it carries. With a higher strength, and non-chill filtered, it's a one-off you won't forget.

MASTER DISTILLER - COLUM EGAN

MATURED IN ACACIA WOOD

This aromatic single malt is matured in casks of charred bourbon and toasted sherry, then carefully aged in Acacia Wood.

Subtly spiced by the barrels, with warming hints of nutmeg, the flavour deepens into smooth, full-bodied notes that will enchant the palate. Savour the taste of wild honey fused with fresh florals and vanilla - perfectly complemented by tangy fruit flavours and finishing in a cosy hug of cinnamon with just a whisper of wood.
